

HELPING KIDS EXPAND THEIR VIEW OF THE BUSINESS WORLD ...
ONE FRAME AT A TIME!

The annual Junior Achievement Bowl-A-Thon is right around the corner...and no, you don't have to be a great bowler to be successful. All you need is enthusiasm! Each year, more than 2,000 business executives and other friends of Junior Achievement get together to raise funds for Junior Achievement...and have a great time. Dollars generated from this event help provide Financial Literacy programs to over 20,000 kindergarten through 12th grade students in Clark County.

The Link Bowlers team consists of Betty, Willie, Fred, Christine and Philippe. Join them from 12pm-2pm on February 26 at Texas Station to cheer them on. You can also make a donation to the Link Tech Bowlers under Betty Laurian's name here: <https://fundraising.intelisis.com/jasn/AThons/Donate2.jsp>

Thank you all for your support of Junior Achievement of Southern Nevada!
